SCAN HERE TO PAY

- The purpose of the Rs. 500/- (incl. VAT) **yearly subscription fee for the RFID Card** includes:
 - o Maintenance of the charging infrastructure to ensure reliable and efficient charging services.
 - o Provision of 24x7 charging solutions (subject to terms and conditions), ensuring availability and accessibility to customers at all times.
 - o Enhancement of customer service by providing a seamless charging experience, addressing any concerns or issues promptly, and offering support as needed.

DISCLAIMER

- a) The form is to be filled **ONLY** by the MG EV Owners.
- b) Under the regulatory NEA (National Electricity Authority) policy, Paramount Motors Pvt. Ltd. plans its charging costs for electric vehicles. Paramount Motors Pvt. Ltd. charges an additional 20% of the NEA rate per unit on its charges, (i.e the set margin by the Nepal Government) *T&C Apply.
- c) The cost per unit may vary depending on whether the charging occurs during peak hours or off-peak hours. By adjusting prices based on off-peak hours, Paramount Motors Pvt. Ltd. can efficiently manage electricity demand, ensure grid stability, and provide cost-effective charging solutions to its customers.
 - o Peak hour: 5:00 pm to 11:00 pm
 - o Off-peak hour: 11:00 pm to 5:00 am
 - o Normal hour: 5:00 am to 5:00 pm
- d) Customers are requested to print the form, fill in all the details, scan the filled copy of the form and email it to a **charging@paramountmotors.com.np** along with a screenshot of the "Transaction success".
